

The Deputy Director
Central Intelligence Agency

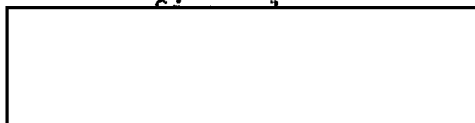

Washington, D.C. 20505

August 30, 1979

Dear John:

It was very thoughtful of you to send me the lovely Jefferson pewter cups as mementos of my visit to Petersburg. Please accept thanks from my wife and myself -- we are both fond of pewter, particularly when it is useful.

I enjoyed very much my luncheon meeting in Petersburg and look forward to other visits in the future.

Frank Carlucci

STATINTL

Dear

I thank you again for
your help. It was especially
kind of you to offer to
deliver these mementos to
Frank Carlucci.

Sincerely

John R. Meyer, H.C.
